

CERTIFICATE OF CONFORMANCE

in accordance to the US Food and Drug Administration (FDA)

The following Frenzelit gasketing material based on rubber is in fully compliance with the FDA 177.2600 Rubber articles regulation:

novaoneTM BLUE

The material is intended for use as gasket material in e.g. pipes and flanges. Due to this fact, there is a very small contact area of the compressed gasket with the medium.

Bad Berneck, June 2024
